

1. Use the information below about these monsters to make two more record cards.

Plasavog

Trivox

Name: \_\_\_\_\_  
 Number of heads: \_\_\_\_\_  
 Number of legs: \_\_\_\_\_  
 Likes to eat: \_\_\_\_\_  
 Skin: \_\_\_\_\_  
 Height: \_\_\_\_\_ **15**

Name: \_\_\_\_\_  
 Number of heads: \_\_\_\_\_  
 Number of legs: \_\_\_\_\_  
 Likes to eat: \_\_\_\_\_  
 Skin: \_\_\_\_\_  
 Height: \_\_\_\_\_ **16**

2. Cut out the cards and add them to your other monster record cards. You will need them later!

# Unit 3.3

Name \_\_\_\_\_

Draw two monsters of your own and write notes about each one. Include information about what they like to eat, their height, skin, number of heads and legs and then give them a name.

---

Now make a record card for each of these monsters.

	Name: _____		Name: _____
	Number of heads: _____		Number of heads: _____
	Number of legs: _____		Number of legs: _____
	Likes to eat: _____		Likes to eat: _____
	Skin: _____		Skin: _____
Height: _____ ○	Height: _____ ○		

1. Look at the blank record card on your screen.
2. Use the information on page 77 to add 'information' to the record card. Click on each field to type in the data.

Name: \_\_\_\_\_  
Habitat: \_\_\_\_\_  
Colour: \_\_\_\_\_  
Number of Legs: \_\_\_\_\_  
Wings: \_\_\_\_\_  
Food: \_\_\_\_\_

Name: hedgehog  
Habitat: land  
Colour: brown  
Number of Legs: 4  
Wings: none  
Food: insects, snails, grubs and frogs

3. When you have completed the card, click on the **RECORD** button to add your new data card to the database.
4. Complete a card for each animal, using the information on page 77.
5. Find information about another two animals and complete record cards for each.
6. When you have eight new cards, go to page 76 to find out about searching a database for information.

Which animals have wings?
