## It Hurts

It hurts when someone makes remarks  
About the clothes I wear.  
About the foods I refuse to eat  
Or the way I cover my hair.

It hurts when someone laughs and jokes  
About the way I speak.  
'Ignore them,' says my Dad, but it's hard  
To turn the other cheek.

It hurts when someone calls me names  
Because of the colour of my skin.  
Everyone's different outside,  
But we're all the same within.

*John Foster*

Things people say that  
make me feel upset.

Things people say that  
make me feel happy.
